

Davidson

Position Description: Family Physician (Temporary – 6 month Maternity Leave)

We are seeking a family physician to provide short-term temporary coverage for an approximate 6 month maternity leave starting in July to work in an exciting, innovative Primary Health Care model which will provide health services to the communities of Davidson and surrounding areas. This model includes coverage for the Davidson Health Centre, which provides acute care and 24 hour emergency services.

Primary health care is the day-to-day care needed to protect, maintain or restore our health. For most people, it is both the first point of contact with the health care system and the most frequently used. This Physician will work closely with nurses, and other members of the primary health care team to meet the specific needs of these communities.

This Physician will work closely with nurses, and other members of the health care team to meet the specific needs of this community and its surrounding area. The successful applicant will be required to participate in a 1:3 call rotation. Physician will also receive ERCP stipend.

Services will include: clinic, hospital, on call, long-term care and other duties as assigned.
