

Well, what a beautiful April we have had. The warm weather has been a real treat. I know we have been enjoying it.

Highlights from April

Some of our April events had to be postponed or changed due to our lockdown. We did small group activities down the houses while the lockdown was on. Thank you for cooperating with us during the outbreak.

We went around with cake to celebrate our second year anniversary in the new Lodge. Twenty two residents have lived at both Lodges.

Before Easter we also coloured Easter Eggs and did an egg toss. We had an Easter bingo and Tea party for the residents. The Easter Bunny made an appearance during the night and left baskets for the residents to enjoy.

We had a Silvert's clothing show. This allowed the residents to have the opportunity to get something new for spring.

Our Birthday party was successful. Country II entertained and the Landis CWL supplied us with a lovely lunch.

On the cool spring days we managed to get out cards and have card parties in the main Activity Room. Sorry, crib and crokinole was popular this month. I also made a new game this month and the residents enjoyed called "Scrabble Twist".

On the much nicer days we sat out on the patio and enjoyed ice cream.

BBQ Club has started in April and everyone wants to take advantage of it. It is refreshing to smell the first BBQ of the season

Up and Coming in May

- BBQs every Friday
- Outings on Wednesday afternoons
- May 3rd Birthday Party with Country Cousins
- May 9th Henry Bleile Sing 2:30
- May 10th Resident Council Meeting 10:30 am (everyone welcome to attend)

- Spring Tea and Bake Sale June 15th 2:00-3:30 pm

A calendar of events and activities planned for May is available to anyone who wants to have a copy by the Activity Room office.

Happy Birthday greetings to:

We are looking for some volunteers to spend some extra time with our residents during downtimes especially in the later part of the day. Please talk to Karen if interested in volunteering!

Have a great month!
