Joint Media Release

Grade 8 Sun West Students to Participate in Talking to Youth Live (TTYL) Program

Sun West School Division and Heartland Health Region are partnering to offer a full day event for grade 8 students. This event is called Talking to Youth Live (TTYL). It is an interactive day to educate and create awareness in youth about mental health and addictions, while networking, learning about healthier alternatives and having fun.

The students will be divided into 5 groups. They will begin with an opening session, then rotate through the following topics: mental health, addictions, impairment, consequences & choices, and practical ways to maintain mental wellness. The day will conclude with a guest speaker that has journeyed through mental illness and/or addictions.

The day will include learning activities such as Jenga, Snakes and Ladders, Ker plunk, and an obstacle course.

There are several events scheduled throughout the year. The first event was held on October 25th, 2017 at Elrose Composite School.

Other dates this school year include:

Rosetown: November 16, 2017
Kindersley: February 8, 2018
Outlook: March 15, 2018
